THE HOUSTON MUSIC FESTIVAL will be held on Sunday, September 2nd. This year the event will be hosted by IncrEdible Delights restaurant at the Atascocita Country Club, located at 20114 Pinehurst Drive, Humble Texas. Complete details about how to reserve your spot etc. can be found on the Announcement Table.

U.S. FEAST REGISTRATION: Although most everyone has now registered for the Feast, we did want to remind you that if you haven’t done so, please do. It helps the site coordinators tremendously in their planning. The only U.S. site that is full is Pigeon Forge, Tennessee. Additionally, if your plans have changed and you need to update your registration, you may do so online. Thank you very much for your help in this regard.

FEAST ACTIVITY SCHEDULES: Activity schedules and descriptions for our domestic Feast of Tabernacles sites are now posted on our COGWA website, and we would encourage all of you to check out the activities at the site you will be attending as soon as possible so you can start finalizing your daily schedule for this year’s Feast! In some cases, there are deadlines, tickets that must be purchased in advance of the Feast and limitations on the number of people that can attend various events. So, don’t delay—make your plans this coming week!

FEAST SITE IN FIJI: We are organizing a small South Pacific Feast site in Pacific Harbour, Fiji, about two hours’ drive by taxi from Nadi International Airport. Air Pacific, Air New Zealand, Qantas and other airlines offer regular flights to Fiji. Twelve COGWA members (adults and children) reside in Fiji. We expect an overall attendance of about 50 people. This will be the first time since the mid-1990s that international visitors will be attending the Feast with the Fijian brethren. Services will be in English, and we already have some confirmed attendees from Australia, New Zealand, Tonga and the U.S. The weather in October is normally about 80 degrees Fahrenheit (27 Celsius). The location of the Feast site is The Pearl South Pacific resort (http://theparlsouthpacific.com).
