ANNOUNCEMENTS:
IN ACCORD: In this week’s In Accord, Jim Franks announces and describes a new program—FI-Online—that will provide members a great biblical education program through a webcast every Wednesday evening of Foundation Institute classes. Be sure to watch this edition for the overview of this exciting development that will be coming soon after the Feast!

DAY OF ATONEMENT: Services will be held at New Beginning on September 26th. Time will be announced.

SERVICES 09/29: Prior to the Feast of Tabernacles we are planning on holding services in the South with Bryan Waddle presiding.

YOUTH EDUCATION LESSONS: Our youth education lessons for the fall holy days are now available! As we have previously mentioned, this year we have taken a different approach from that of the full festival activity books of the past. We have prepared lessons on the topics of each of the four fall holy days for Church families/parents to use in teaching their children God’s truth and His way of life. Our desire is to help parents fulfill the biblical instruction found in Deuteronomy 6:6-7:

“And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up.”

These fall festival lessons are designed for use in a family setting where parents can instruct their children in God’s plan, which is revealed through the holy days. Each lesson has an overview, Scripture discussion and supplemental activities. We encourage you parents to download each lesson and read through them with your children. Then you may reinforce and elaborate on the lesson with age-appropriate, supplemental material and activities, such as coloring pages, drawing activities, word games, fill-in-the-blank activities, discussion topics, further research, etc., that can also be downloaded off the lesson site. Since you can adjust these lessons to fit the ages of your children, parents of teenage children will also find these lessons helpful and instructive for their teens.

Simply go to the COGWA Feast web page and look for the “Feast Youth Lessons” link, or click here http://feast.cogwa.org/cyi. This link will take you to the page where you may download all the materials. We trust that this will be an effective way of helping our parents teach God’s way to their children.
