Discern Magazine. Your September/October issue of Discern magazine is now available online and for download!

What happened 500 years ago in the German town of Wittenberg has had profound influence to this day. But comparing Martin Luther's dissents with the Bible raises issues we each need to consider. Start with the cover article, "The Reformation That Didn't Go Far Enough."

Feast pen ordering has begun. If you are interested please contact Stefanie Rochelle.

Volleyball Sign Up: A sign up sheet is available at the information table for anyone who would like to play volleyball this year. Teams will be selected on Sunday, October 22nd at the first volleyball practice, but we often need to plan for teams before our first practice. Just a reminder that Level 4 Sabbath School students are also invited to participate in a pre-teen volleyball skills clinic during each practice. If you have questions please contact Brian or Mary Ann Hegvold.
